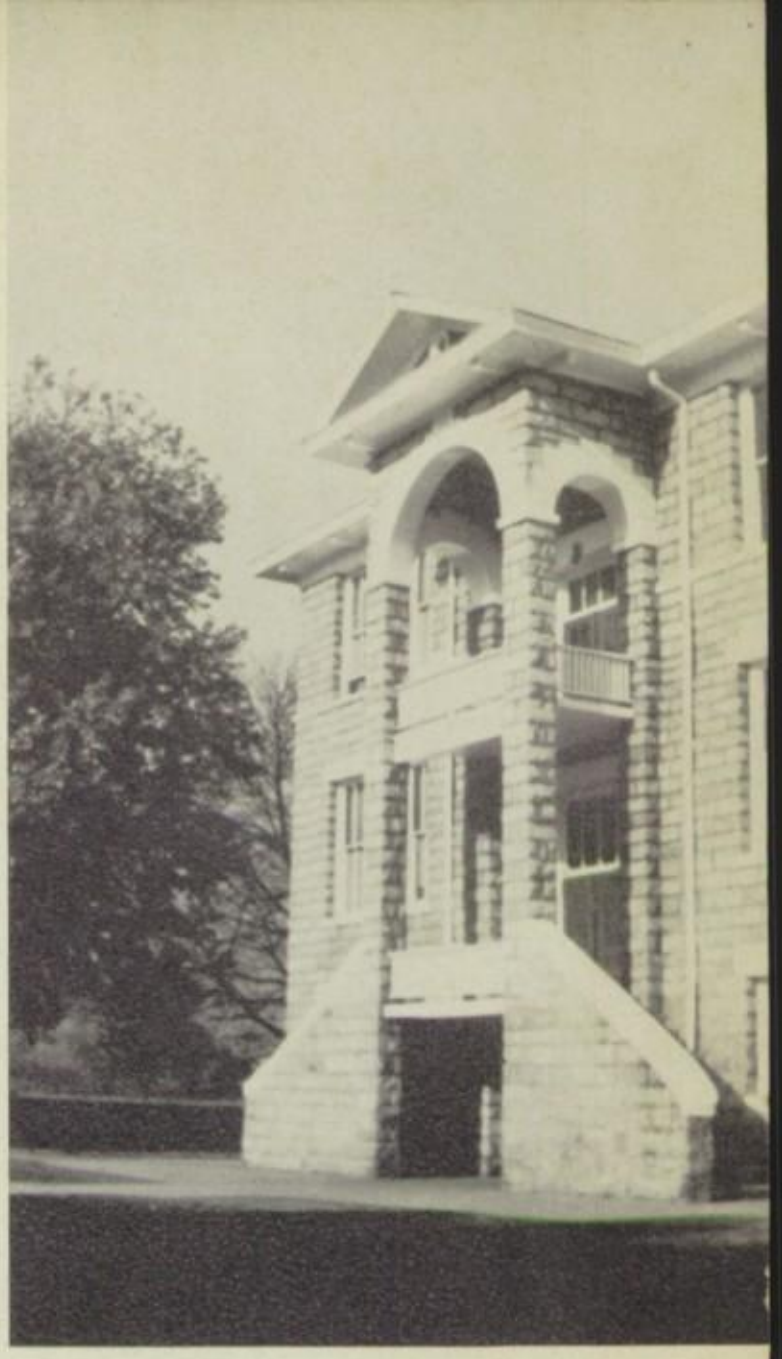
THE SCHOOL BELL OF 1952



Foreword

We, the Seniors, of 1952 have compiled for you this edition of the School Bell. It is your "memory book." When time has made the vivid scenes of school days grow dim, and years have almost erased from all minds those eventful times, you may take this volume from the shelf and recall those happy days spent at Big Stone Gap High School.

For our theme we have chosen our "Awards". This theme we have portrayed in pictures on our Division pages.

SENIOR CLASS HISTORY

As we, the thirty-three graduates of 1952, take our last stand at our beloved Alma Mater, we stop long enough to glance back over our wonderful school experiences. Of the thirty-three of us only eighteen have traveled the road together. They are: Carl Akens, Elsie Bloomer, Annis Fletcher, Barbara Joe Fletcher, Barbara Gilliam, Jim Hamblen, Marie Harris, Betty Hill, Dane Kite, Peggy Lambert, Jodha Ann Mullins, Bruce Scalf, Verla Jo Smitherman, Ralph Snodgrass, Bobby True, Patty Lynn Weatherly, Jimmie Whisman, and Peggy Jo Wilson.

While we were in grade school we looked forward to and dreamed of the day we would enter high school. When we entered the eighth grade we realized that our dream was near.

Finally, the great day arrived, we were Freshmen. It was then that we began to feel important. We began to take an active part in the many school activities.

The next year matrimony was the choice of several girls. Some of the boys joined the colors to fight for our country and freedom.

Our Freshman and Sophomore years flew by and before we knew it we were dreamy Juniors. That year proved to be the most exciting yet. We worked hard selling magazines to help pay for our annual when we would become Seniors. As an important step toward becoming Seniors, we chose our rings which were yellow gold with either white, yellow, or pink gold rectangular tops with the BSG crest. We shall never forget the fun we had decorating the gym for the Junior-Senior Prom.

In athletics we were also quite active. The boys and girls of our class won the championship in the class basketball tournament. The last but most exciting event that year, was going to pick daisies for the daisy chain, a task which took almost all day. Late that afternoon a weary bunch of Juniors trudged home to get ready for the commencement exercises which took place the same night.

During the summer between our Junior and Senior years Betty Lou Hill, Jodha Mullins, Jim Hamblen, and Dane Kite went to Girls' and Boys' State held at V. P. I. A week of study of state government by these was made possible by different organizations of the town.

Then our dream came true. We achieved one of our life's ambition the day we became Seniors. Late this fall those "long awaited" rings arrived. Great was the excitement on that day. After much "ado" we selected our invitations and we then felt like graduation day was not far away. The Junior-Senior Prom proved to be the usual gala affair with James Ashe and Marie Harris reigning supreme as King and Queen. After days of practice the Senior play was ready for presentation under the direction of our sponsor Lora Dingus and Mrs. Winston Giles. It was well received by the audience. Then those of us who had not taken part in a previous WOB's trip to Washington were given the opportunity to go. That trip holds many memories for us.

Patty Lynn Weatherly was elected the best citizen. She represented our school in the Best Citizenship contest sponsored by the Daughters of the American Revolution.

Then graduation night came and with it was the annual Alumni Banquet, which was the last event we were to take part in as Seniors.

As we close our books of knowledge with a sigh and prepare to put what we have learned to use, we make a bow out of high school life forever.

Junior Class

We Juniors spent a very happy year under the capable guidance and leadership of Miss Broadwater, our sponsor. This year will hold many happy memories for us because it was crowded with many activities as well as the usual grind of study.

In October, after examining rings from two different representatives we made our choice, an oval ring with a blue or red set. This we will proudly wear as Seniors.

Our class was well represented in sports. Philip Kinder, Johnny Bradburne, Bob Daughtery, "Kin" Graham, Gerald Taylor, Fred Statzer, and Kyle Cooper were on the football squad. Those who went out for basketball were: Harriet Holton, Faye Dickenson, Martha Powers, Joan Sargent, Joyce Sargent, "Kin" Graham, Philip Kinder, Johnny Bradburne, and Gerald Taylor.

The Key Club claimed three of our members. Several participated in the Camera Club, Glee Club, Varsity Club, Band, F.H.A., and Safety Patrol.

Five of our members served on the Jolly Roger Staff. Barbara Mercer was elected as our reporter.

In April we entertained the Seniors at the Junior-Senior Prom which was well received and quite a successful event.

When we made the daisy chain for final exercises, we began to realize we now faced that long awaited dream of becoming a Senior.

SOPHOMORE CLASS

The Sophomore Class of 1951-52 had a year of fun and study with Miss Meade and Miss Brewer as counselors and homeroom teachers. Because of such an increase in the enrollment of the Sophomore Class, a few were sent to study-hall under the supervision of Mr. Miller.

FRESHMAN CLASS

We, the freshman class, began our journey through high school with high hopes and eager spirits. We have worked hard and our efforts have brought us success. Our sponsors, Coach Stallard, Mr. Miller, and Mr. Dorton, have helped us greatly and contributed much toward our success.

We realized that taking part in the school activities would make our work interesting and our freshman days something to remember. Filmore Tucker and Carrie Lou Jeter were elected to the Safety Patrol, and we were represented in the Camera Club by Mary John Mayhew, and Filmore Tucker. We contributed thirteen members to the Glee Club, thirteen to the Band, and ten to the F.H.A. Club.

With the approach of the football season, our interests were turned toward that sport. We were represented by Richard Belton, Bill Holding, Jr., Forrest McCoig, Martin Revilla, Filmore Tucker, Frank Pannell, Don Giles, and Cammy Edmonds who were ready and willing to do their duty as members of the football team.

We feel we have made a good beginning and are looking forward to our next three years in high school.

We were the usual bewildered and confused group of eighth grade students when school started, not knowing what to do or where to go. After a few weeks we became accustomed to our new kind of schooling.

Although we were not permitted to take part in many activities, five of our classmates were on the Safety Patrol and some of our boys participated on the "B" teams of football and basketball. We are looking forward to our high school years in which we can see ourselves fulfilling many of our oldest dreams.

With gratitude to our sponsors Miss Scott, Mrs. Giles, and Mr. Gibbs, we are able to say that this has been one of our happiest years.

BAND

Director

There goes the band! On October the thirteenth Bristol was host to its First Annual Band Festival in which twenty-three high school bands participated. It was a great day for those who love a parade — "To the blare of trumpets and the crash of cymbals they filed by the reviewing stand on State Street to win the plaudits of the judges and the heart of everyone." The final events of the day took place at Municipal Stadium prior to the Emory and Henry-Guilford football game. At this time the bands played in masse three numbers under the direction of the judges. Then the three "top" bands of the day were awarded trophies. When "Mrs. Mc", the only lady band director participating, went out on the field to receive the trophy for second place, it was the home folk's time to stand up and cheer. We did.

At the concert in Roanoke "Mrs. Mc" had seven representatives. The group was divided into two sections. In the All State Band were Betty Sue Grubb, Betsy Witt, Hershal Johnson, and Patricia Wilson. In the "Workshop" were Ray Seale, David Barker, and Jerry Ann Mayhew. After three days of hard practice the two sections gave a joint concert. "Mrs. Mc" said, "The All State Band was comparable to the best of college bands and the Worshop one, to a very good high school band."

The bull fight

This year for the first time a junior band was organized which is composed of students from the grades. Here's to them — the future band of Big Stone High!

The Band added a touch of color and entertainment at half-time at all of our football games except the Norton and St. Paul ones. It was a feature of the B.S.G. Merchant's Christmas Parade. Several members of the Band entered the Bluefield Regional Contest and went from there to the All State Band in Roanoke. The Band Concert given in the spring gave a performance worthy of praise.

"Mrs. Mc" and her band deserve much credit for the excellent work which they have done this year.

The Reverend Welsch, Mr. Cochran, Carl Akens.

The Key Club exists to serve the school and the community. Besides learning to be better citizens and students, we have completed several worthy projects. Some of the more important ones are the following:

1. Lined off the football field for all home games.
2. Collected and repaired toys for Christmas baskets for the needy and delivered them.
3. Helped Kiwanis sponsor a tonsil clinic for underprivileged children.
4. Sold $190 worth of Christmas Seals.
5. Put small iron lungs in stores in the community.
6. Show — "Man of Conquest."
7. Bake sale.
8. Singing convention stand.

The outstanding social affair of the year was our annual Charter Night Banquet on February 21, at which the guest speaker was Mr. H. P. Cochran of Washington, D. C.

We couldn't have accomplished much without the help of our sponsors, The Reverend George Welsch and Mr. Henry Stewart, from the Kiwanis Club.

With the fourth annual trip to Washington in view, the Camera Club got off to a fine start this year. In order to make the trip possible, we have had to work hard and raise more money than ever before. This money was raised by various methods. We sold peanuts at the football games in the fall, sold buccaneer tags, Post subscriptions, had two bake sales, and showed a very entertaining movie to the students.

We feel, however, that all of our hard work has been well worth while.

The Future Homemakers of America is the National organization for pupils who have studied, or are studying homemaking in Junior and Senior high schools.

The Motto is "Toward New Horizons," and the colors are red and white.

This year we have set up five goals to accomplish. They are:

1. Enjoy the privileges and activities of homemaking.
2. To promote understanding and co-operation among people at home and abroad.
3. Emphasize the importance of training for homemaking.
4. Encourage members to assume leadership in home, school, and community.
5. Promote harmonious family living.

We shall strive to accomplish these goals with the help of our sponsor and friend, Mrs. Kathleen Horne.

FOOTBALL

As vacation time passed and another year began, football season was here. The Buccaneers, under the capable leadership of Coaches Burchell Stallard and J. C. Miller, had a most successful season. With eight returning lettermen to build around, the "Bucs" soon developed a fast hard-hitting "T" formation team.

After defeating Coeburn in the opening game, the team rolled over the opposition to the tune of six wins and two losses.

The Buccaneers were also awarded the sportsmanship trophy which is given each year to the team within the District having the highest sportsmanship percentage as decided by the officials. Big Stone Gap led all the teams with an average of 98%.

Our successful season may be attributed to splendid teamwork, determination, and excellent supervision. The "Bucs" had some boys who received special honors for their outstanding ability. Eugene Rutherford and Johnny Dorton were selected for positions on the All-District first team while Jennings Scroggs made a second team position and Garnett Gilliam and James Allman made third team positions. In addition, Jimmy Whisman and Bobby True got honorable mention.

The starting line-up usually consisted of Carl Smith, and James Allman, ends; Eugene Rutherford and Fred Statzer, tackles; Jimmy Whisman, center; Jennings Scroggs and Bobby True, guards; Gary Clark, quarterback; Johnny Dorton and Don Giles, halfbacks; and Garnett Gilliam, fullback. These and Philip Kinder, Kin Graham, Don McQuery, Gerald Taylor, Clifford Hall, Filmore Tucker, and Johnny Bradburne qualified for letters.

BOYS' BASKETBALL

Country Tournament Game with Coeburn.

The Buccaneers began the 1951-52 basketball season with only one regular back from the preceding season, and it was necessary for Coach J. C. Miller to start the season with a new team.

The team, using the fast-break on offense and a zone on defense, early proved that they were a fighting team.

The "Bucs" considered their upset victory over their arch-rival, Appalachia, the high light of the season.

The starting line-up usually consisted of Philip Kinder and Jack Mahan, forwards; Jim Hamblen and Kin Graham, guards; and Jack Masters at center.

GIRLS' BASKETBALL

The day basketball season opened Coach Stallard had a number of girls eager to play ball. Although the team was not always a winning team it was a fighting team. With this year's experience we hope to have a winning team next year. Those who played the required number of quarters to receive a letter were: Irma Blevins, Doris Morelock, Harriet Holton, Jerry Ann Mayhew, Joan Sargent, Joyce Dorton, Martha Jane Powers, Lida Dickenson, and Patty Weatherly. Margaret Carr served as a willing and helpful manager.
